A note to my fellow artists:

Life and the weather can be uncertain. To make this event more flexible for all of us, we are happy to take registrations and payment on the day of the event (with an adjustment). We are adding photography as a medium, and asking photographers to capture images of other artists at work in addition to their own artistic entries. Our gallery is now open, with amenities. Come and paint in our parks, or choose to paint an historic downtown building or "anything Seguin" that inspires you.

Our downtown visitors really enjoy seeing artists at work and voting for their favorite painting, so you can look forward to being appreciated as an artist....and don't be surprised if your creation sells during the Wet Painting Sale on Oct. 29th!
